Re: Allegations in Google Review

Dear Mr. Palasek:

I am corporate counsel for Park Place Apartments and its management company, Princeton Enterprises. I was forwarded the Google Review that you posted on or about April 30, 2025.

In your review, you make several allegations that I have been asked to investigate. First, you allege that you have experienced discrimination based upon mental disabilities. I want you to know that we take all allegations seriously, especially allegations of any type of discrimination as Park Place Apartments prides itself on being a community where everyone is treated fairly and with dignity. Disability is a federally protected class. Park Place CMU treats all federal, state and local protected classes equally.

Second, you make allegations about complaints going unanswered and inspections being suboptimal. Again, Park Place Apartments takes all allegations very seriously. As such, please contact me at your earliest convenience to provide specifics so that I may investigate all of your allegations.

I look forward to hearing from you.

Very truly yours,
